

3DEXPERIENCE

CSWP Free Voucher

Free multi-voucher for the CSWP and CSWA exam:

M-4AZLGSWW

- **Please follow instructions on next page to redeem voucher**
- Redeem this code between now and July 31.
- Redeeming the code only sets up your account and deposits credits. *You can take the test whenever you wish in the future.*
- The exam credits never expire until the test is taken.
- Only one redemption per user. *Any abuse of this voucher will result in freezing of user's account and certifications.*

How To Redeem Multi-Voucher Code

1. Go to the SolidWorks Certification Portal and click “**Download TestPRO Client**” : <https://www.virtualtester.com/solidworks/>
2. Execute the file you just downloaded and go thru first setup page.
3. Login with your existing VirtualTester (VT) login or create new account.
4. At next screen enter the multi-voucher in the “EventID/Voucher” field at the top. The exam credits will now be deposited into your testing account.
5. You can now click on the “Start Exam” icon next to the exam you wish to start or click “Exit” to save the exams for a later time.

How To Take The CSWP Tests

1. To take the test go to the SolidWorks Certification Portal and click “**Download TestPRO Client**”:
<https://www.virtualtester.com/solidworks/>
2. Execute the file you just downloaded.
3. Login with your email address and password. You will see that you will have credit for the CSWP Segment 1 - 3 exams.
4. Click on the “Start Exam” icon next to the exam you wish to take. This will start the exam.
